the 1990s, the number of people in the world who are undernourished has increased from 600 million to 800 million (FAO 1996). The number of people who are malnourished has increased from 1.1 billion to 1.5 billion (FAO 1996).

There is a growing awareness of the need to improve the nutritional status of the world's population. The United Nations World Food Programme (WFP) has been established to help countries to improve their food security and to reduce the number of people who are undernourished.

The WFP has been successful in its efforts to improve food security and to reduce the number of people who are undernourished. In 1996, the WFP distributed 10.5 million tonnes of food to 100 million people in 110 countries.

*They risked it all for a dream, they sacrificed
their lives, their homes, and their families.
It was a chance to make this land their own,
a home for all those seeking freedom;
their home! Not a colony dependent on a
Mother Country across a distant sea,
but a free, new land, a separate nation with
Freedom! Liberty! Justice For All!*

*So they declared their freedom, they put
it in writing, and then they proclaimed it
with the ringing of a bell, The Bell,
the one they named The Liberty Bell.
It proclaimed their dream to
all the world, the dream of
Freedom! Liberty! Justice For All!*

*The fighting began and many lives were lost,
but the dream had not died, it was living,
growing, spreading to all those who could
realize its value, and its promise of
Freedom! Liberty! Justice For All!*

*Through their many disappointments they
could see the beginning, a start of a new life,
a better life, the dawning of a new era.
This beginning of life which was
the fulfillment of their dream for
Freedom! Liberty! Justice For All!*

*The Battle ended, all the guns were silenced.
They had won the battle. The Dream!
Their Dream! was now a reality. So the new
country started, with a dream as its basis,
its heritage was rich, its promises were many,
it was up to the future to make
the dream live, the dream of
Freedom! Liberty! Justice For All!*

St. Joe Returns To . . .

Good Ol' Gray and White

Assemblies Broaden Our Horizons

On Oct. 1, 1975, the students of St. Joe witnessed Mr. John Gray in action. The "John Gray Experience" caused many reactions from the St Joe student body. Mr. Gray, a Human Relations Specialist from the Kent State Center for Educational Development and Strategic Services, assumed the role of a bigot, and attacked the Italians, namely Mr. Dondero, for being associated with the Mafia, the Irish for drinking and Catholics for worshipping idols. He also tried to persuade the students that the white race and men are superior. The assembly ended in the stormy retreat of Mr. Gray and a hostile student body. His associates, Dr. Frank Aquila along with Kent Boesdorfer, moved from group to group to change our thoughts into ideas, most of which were contempt for Mr. Gray; but one concept came up for every group — the unity of our school when our beliefs and ideals were attacked. We all felt that the John Gray assembly was a great experience and we all benefited from it.

The Challengers visited St Joe in November, and with them came the music of the Beach Boys, Led Zeppelin and Joe Cocker. The group members sang to numerous senior girls. Even Mrs Cooley got in the act when she jitterbugged with one of the Challengers. By the end of their performance practically the whole school was boogie n'.

BASEBALL

The 1975 baseball season was one of ups and downs. The team fluctuated persistently between victory and defeat. The pitching which was depended upon to be a major strength, was inconsistent. The hitting, or lack of it, was a bitter disappointment. Spirit and leaders were almost nonexistent among the squad. Despite all this, they finished above 500, were SBC runners-up, and reached the District finals, before ending this strange season. Also, Tom Kowaleski, the resident pitching ace, made All-SBC. Joe Guyer and Tom Heolze made second team honors.

Coach Dave Schwartz looks ahead to the future. He was pleased very much with last year's underclass. And with a fairly good crop from the present freshmen, he should be able to plug the ever-developing holes and bring a SBC championship to St. Joe once more.

"This was not a disappointing season. I consider the effort put forth by our team greatly outweighed the won-loss record, though I hoped to win more." Coach Gary Logsdon's words sum up this past cross-country season from an unorthodox point of view. Almost always, in any sport, won-loss record is the yardstick for measuring success. Thus was not the case this year. Although the team had but one victory, it was a year which saw eight determined individuals run their hearts out match after match, only to fall short on the scoreboard.

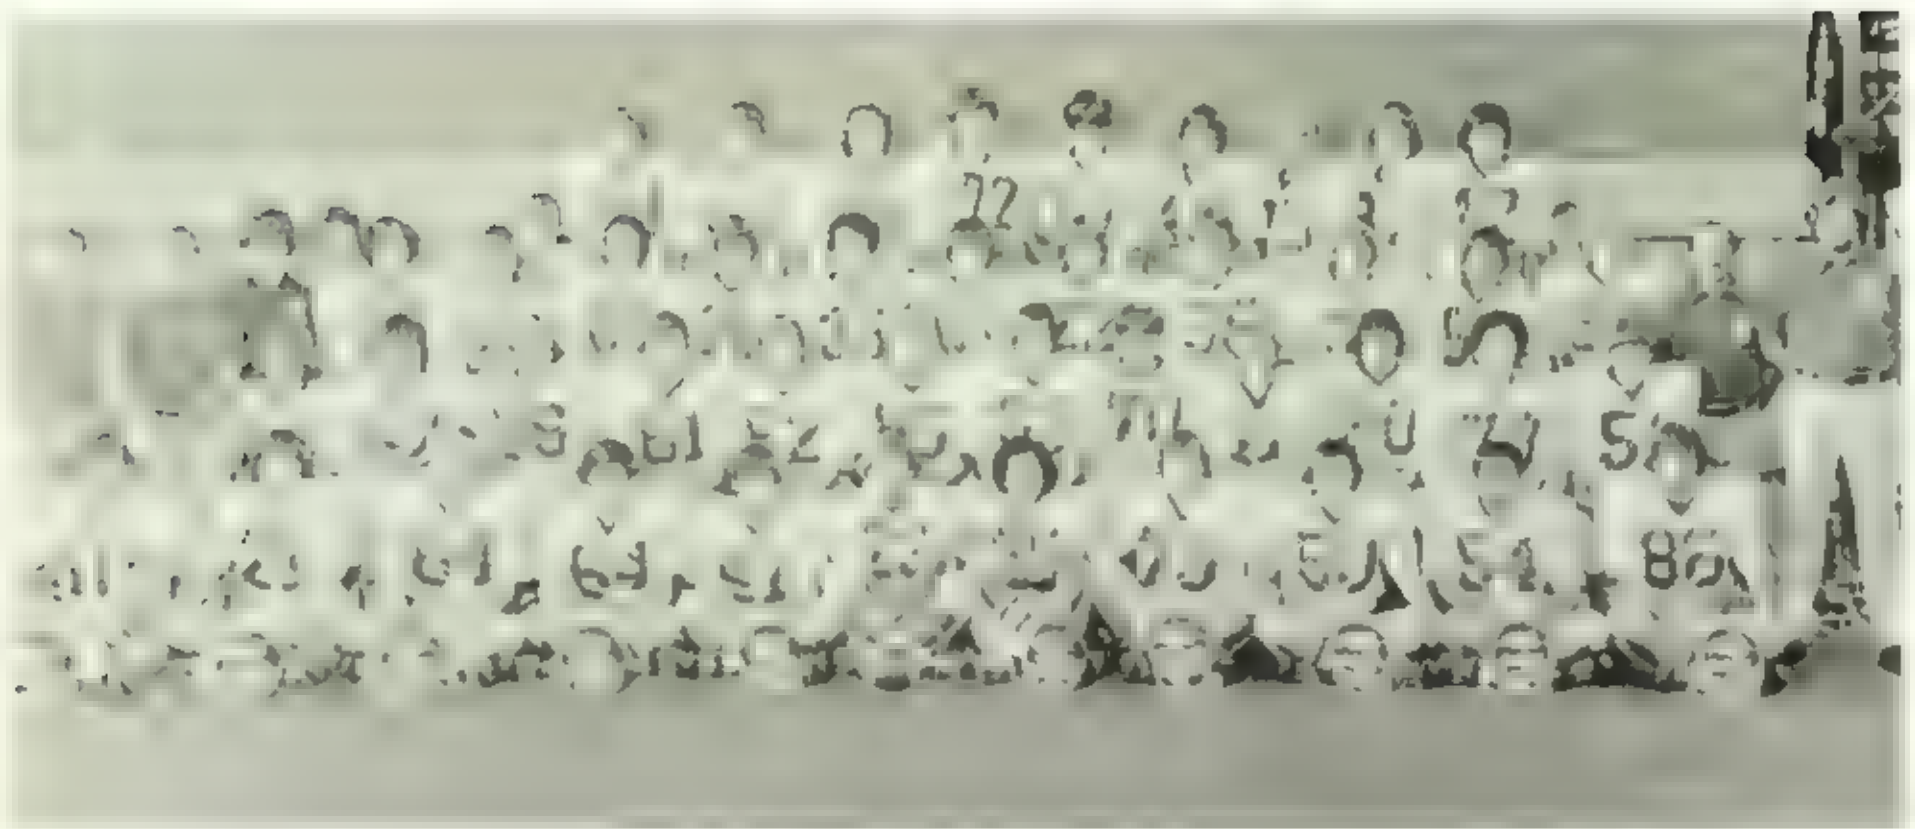

This shortcoming was due mainly to a deficiency of size and experience in the five underclassmen. They were lacking in the very important area of stamina, which accompanies size and training.

There is a future for St. Joseph cross-country however. The program is still building. Coach Logsdon has already made plans for a "500-mile club," which would be a training incentive for the squad. And this present group of sophomores and freshmen will be around for two more years.

FOOTBALL

The 1975 Football team left to right: Row 1: Greg Kays, Vince Swint, Steve Sandergaard, Joe Picciuto, Jerry Hershey, Steve Missig, Mario Amezquita, Dave Courtney, Pat Hotz, Dave Gregotski, Tim Paradiso. Row 2: Tim Widman, Jim Meyers, Randy Darr, Steve Fisher, Tom Luc, Tim May, Andy Per, Mike Ackerman, Steve Minnich, Steve Miles, Mark Chudzinski, Mike Smith. Row 3: Coach Denny Bergeman, head Coach Rick Wonderly, trainer Joe Hershey, Tim Paradiso, John Weaver, Phil Luc, Mike Jay, Kevin Minnich, Greg Drown, Gene Snyce, Neal Miese, Jeff Swint, Chris Stotz, Bob Frech, Jack Muhl, and manager Keith Morley, Kevin Strong, Coach Dave Schwartz, Coach Jeff Mulvey. Row 4: Scott Wagner, Mike Binsack, Bob Frech, Jim Wasserman, Tom Fox, Bill Carr, Dave Jenkins, Doug Vassar, Dave Schneider.

There was only one difference between last year's state runner up and this year's squad that finished 2-7-1. That lone point of contrast was the record itself. The same coaching was there, as was the effort. Most importantly, the spirit remained.

The main cause for this disappointing record was the plague of injuries that hit many of the stalwarts in Coach Wonderly's plans. With several of the front-liners out, many inexperienced underclassmen were pressed into service. As is often the case, this lack of experience caused bad breaks, which may have cost St. Joe a few victories.

As the old cliché goes, every cloud has a silver lining, and this may apply to this past campaign. Next year's team will have the needed seasoning to make another change in St. Joe's gridiron fortunes, this one for the better.

Gridders Stumble Through Disastrous Season

OAK HARBOR

St. Joe started the season off on a good note, as they gained a hard-fought 12-6 victory over Oak Harbor. Greg Kuns surprised everybody with a 49 yard quarterback sneak in the first quarter. Randy Darr, in his first varsity start, compiled a total of 96 yards rushing and added the second tally, a 14 yard run off-tackle. The stubborn defense preserved the victory as they held the Rockets on fourth and inches at the St. Joe five yard line in the waning moments of the game.

ABOVE — Steve Missig breaks through a wall of Oak Harbor tacklers. LEFT — Greg Kuns makes his memorable quarterback sneak against Oak Harbor which resulted in the first score of the 1975 season. BELOW — Tony Paradiso plunges at the Gibsonburg quarterback.

GIBSONBURG

Streaks make it two in a row by overcoming penalties and injuries to turn back Gibsonburg 14-6. St. Joe was penalized 100 yards, and a late score was called back as a result of one of these mistakes. Steve Missig, Vince Swint, and Steve Miles were casualties in a contest which saw the number of healthy backs gradually grow smaller. Randy Darr ran the pigskin one yard for the first score, and Greg Kuns threw to Steve Miles to account for the final six points.

HURON

The previously winless Tigers stopped the Streak machine with a 13-0 shutout. Without Steve Missig, Vince Swint, and Randy Darr in the backfield, St. Joe rushing was held to a scanty 60 yards. Huron's dominance in line play was also a determining factor. St. Joe was unable to cash in on two fumble recoveries and an interception although all three turnovers were near the midfield stripe. On their final attempt for a score, the Streak gridgers got to the Huron 26 yard line, where an interception brought that drive to a halt. From that point on, the Huron defense and foul weather proved to be unconquerable foes.

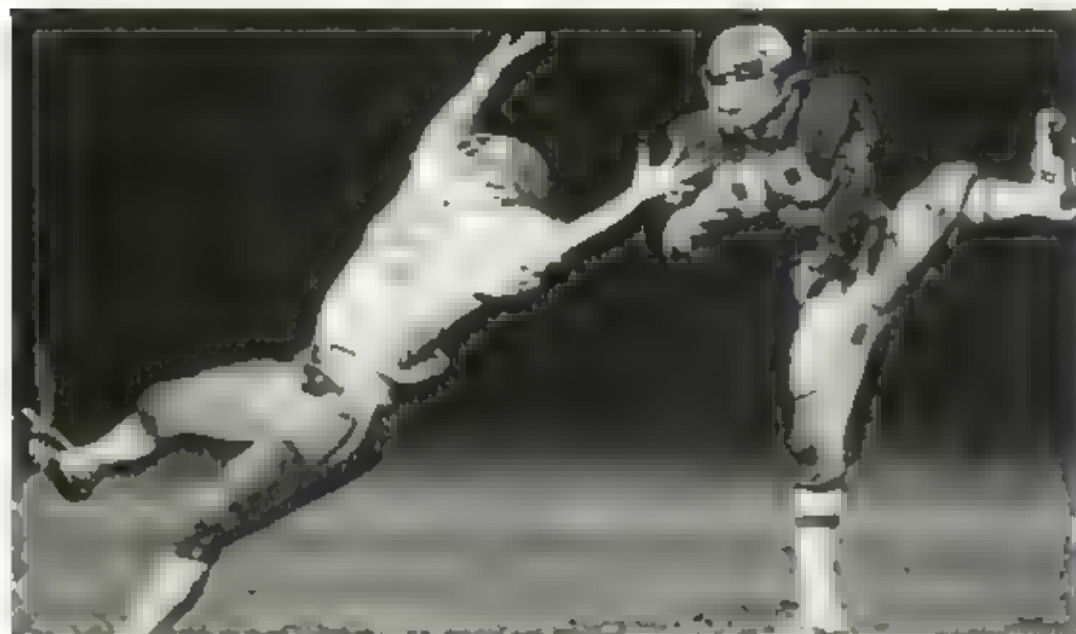

LEFT — Greg Kuns wards off St. Mary blocker. TOP — Wall of Streak blockers lead way for Greg Kuns. ABOVE — Tim Paradiso breaks up Huron pass. BELOW — Steve Minnich and Dale Courtney bring down Perkins Rayfus Campbell.

MARGARETTA

Despite a strong rushing game led by Vince Swint and Greg Kuns, St. Joe was only able to salvage a tie with the Polar Bears, 8-8. Swint and Kuns ground out 163 and 101 yards respectively, but bad breaks stopped every Streak drive except that one which resulted in their third quarter score. St. Joe fumbled four times, one of which Margarettta recovered. They also had four passes picked off in a poor passing attack that saw Steve Minnich connect with his receivers only twice.

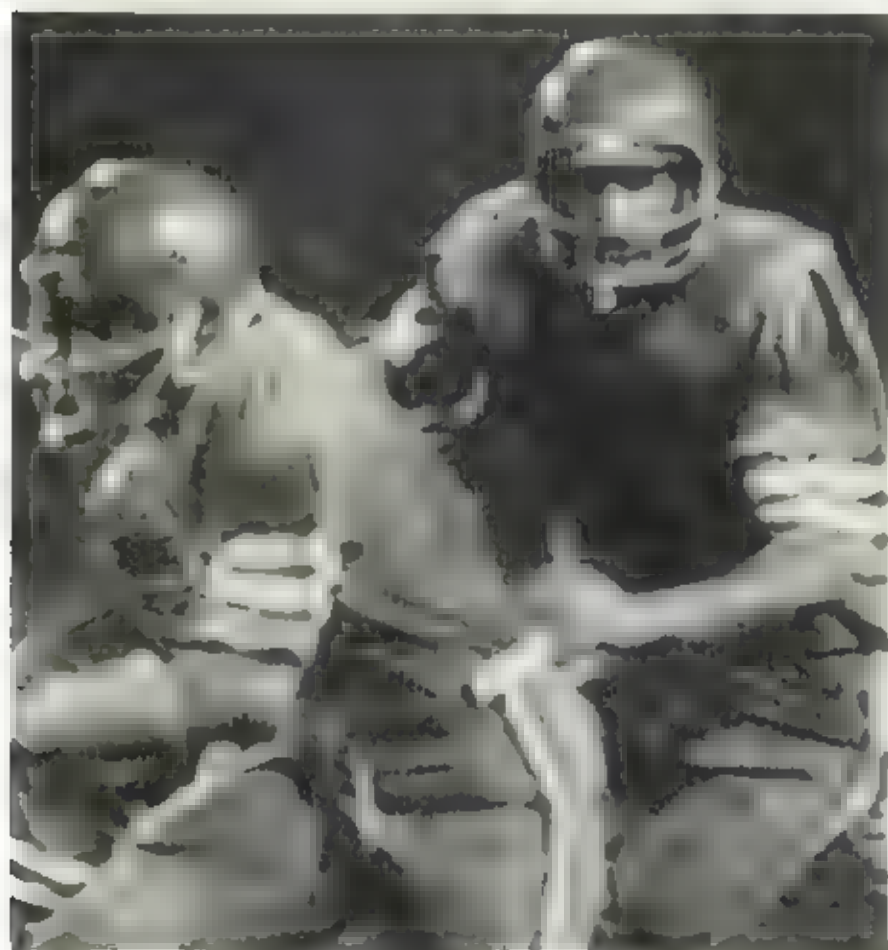

St. Mary Retains Golden Football

PERKINS

Turnovers and bad breaks dictated the outcome of this contest, which Perkins won decisively 21-0. Both teams made their share of mistakes but the Pirates took advantage of the St. Joe miscues turning two of them into touchdowns. Their first score came as a result of a bad snap on a punt deep in St. Joe territory. A later touchdown developed from an interception. With this loss, the Streaks remained winless in SBC play.

TOP — Tony Paradiso leaps for a pass. ABOVE — Vince Swint rambles through the St. Mary defense. LEFT — Greg Kuns looks for an escape. BELOW — Coach Wonderly tends to the injured Dale Courtney.

ST. MARY

St. Mary spoiled the Homecoming by beating St. Joe 7-6 in the annual golden-football contest. The extra point after the Panther touchdown in the closing minutes of the game provided the winning margin in the hard fought battle. As has been the case during the entire season, the onslaught of injuries was a determining factor. Steve Missig, Steve Fisher, and Kevin Stang, who was injured in pre game drills, sat out the entire contest. Vince Swint left action in the second quarter because of a concussion. Randy Darr scored the lone St. Joe touchdown on a seven yard pass from Steve Minnich in the first quarter.

Streaks Must Regroup For Next Year

CALVERT

The Senecas simply outplayed St. Joe in this mudbath and dealt the Streaks their fourth loss by a 24-0 count. A hampered passing attack and turnovers were two key factors in the outcome. St. Joe was only able to complete two of eleven passes and two others were picked off by Tiffin. They also lost a fumble. A touchdown was the result of one of these miscues, and another was set up after Tim May was sacked attempting to punt. St. Joe was only able to pick up seven first downs, two as products of penalties, and compile a meager 117 total yards.

ABOVE — Vince Swint scampers through the Clyde defense. TOP — The offensive huddle patiently awaits the play. RIGHT — Coach Wonderly instructs Steve Minnick on the finer aspects of the game.

CLYDE

St. Joe turned in one of their finer efforts of the year, but fell short in the end to the arch-rival Fliers and lost 11-6. Clyde racked up their total before Vince Swint picked up the only Streak score in the fourth quarter. They engineered another drive in the last minute of the game, but an interception on the Clyde 20 took the wind out of St. Joe's sail. 91 yards of penalties hindered the Streak attack. Vince Swint picked up 112 yards on only 15 carries. St. Joe finished in the SBC with an 0-6-1 record.

Ted Stewart

Tim May

ST. WENDELIN

Domination of both the offensive and defensive games enabled the Mohawks to beat St. Joe, 7-6 for their first victory over the Streaks in 30 years. Despite the fact that St. Wendelin out-gained St. Joe in total yardage 248-188, the Streaks were beaten by a lone point: the point after the touchdown Steve Minnich scored. The only touchdown for the hometown favorites was a one yard plunge in the first quarter. St. Wendelin countered with a third period score, but made their extra point, which provided the winning margin. Greg Kuns was lined up for a third quarter field goal attempt when an illegal motion penalty set the Streaks back five yards. The attempt fell inches short. The story of the season

SWANTON

The visiting Bulldogs came in and ended St. Joe's long season on a losing note by beating them 7-0. St. Joe was held to only 79 yards, 60 of them coming during two drives in the late third and fourth quarters. They also picked up four of their five first downs at this time, which saw the powerful Bulldogs fighting for their lives. St. Joe recovered a fumble on the Swanton 36 and advanced it to the 7 before surrendering it. Swanton then punted to the St. Joe 49, and the Streaks marched 31 yards before finally being stopped.

GOLF

State. The goal that every coach in every high school sport hopes to attain has been accomplished by Bill Miesle twice — in a mere four seasons. Coach Miesle's fine golf team tied for fifth place in the state tournament this year, not an achievement to be overlooked.

He had the talent to work with. The Pfefferle brothers — Bob, Bill, and Steve — were the three leading performers for the squad, with Bill carding an average of just under 39 strokes per match. Joe Gabel and Tom Swint were the other two capable golfers that made up the remainder of the successful quintet.

Coach Miesle didn't expect to have as good a year as it was — until he moved the youngest of the Pfefferles, Steve, up to the varsity level. They lost their first match then swept the next four enroute to a 12-8 record. They took third in the SBC, were sectional champs and district runners-up and the rest is history.

SBC Champs last year, District Runners-up this year. What will be the limit of success for Coach Carolyn Long's volleyball teams? In two short years she has firmly established St. Joe as one of the volleyball powers of the area, and it is inevitable that they will be visiting Columbus in the near future.

The team got off to a quick start, winning their first four contests. They then dropped consecutive losses to Clyde and Huron, which destroyed any hopes for a repeat as SBC champs. They swept the remaining six games to finish the regular season at 10-2.

The great team effort put forth by this squad carried them to a sectional championship and a spot in the district finals. In that final game, however, they met a strong Danbury-Lakeside team, and were beaten in two games.

"We should've done better, but I think we did good considering what was against us." Coach Carolyn Long was right, there was plenty against the girls basketball team as they entered this season.

First of all, Coach Long had only two members of last year's team returning. Secondly, the program at St. Joe is very young and basketball is not a thing that is built up overnight. Fundamentals have to be developed gradually. Finally, with a losing record (three and nine), spirit cannot be expected to be the greatest, so it was up and down all year long.

The team did start to come on at the end of the year. The spirit was good, and getting better. Coach Long hopes this spirit continues through next year. With the improvement of skills and development of the program, the team should improve on this year's record.

The 1975 edition of St. Joe wrestling was a feature to anyone who was interested, not including the opposition. The team started off big, bringing home a championship from the Port Clinton Invitational tournament, and repeating this performance a week later in their St. Joe Christmas tournament. The only blemish in dual competition was a one point loss to Sandusky St. Mary. Post-season tournaments resulted in five grapplers going to the state tournament, the largest number St. Joe has ever sent.

As does almost any other team, the Streak wrestlers had a constant arch rival: Sandusky St. Mary. The talk of the season seemed to be who would win the next meeting between these wrestling giants. St. Joe out-classed the Panthers in the Christmas tournament. St. Mary had the narrow victory in the dual meet, as well as outscoring St. Joe in the SBC, sectionals, and district. Despite their domination in the tournaments, St. Mary wrestlers were constantly beaten by Streak wrestlers in head-to-head competition.

BASKETBALL

The 1975-76 Basketball Team (left to right): First Row — (captains) Rob Buckman, Greg Kniss, Tony Paradise. Second Row — Cliff Hite, Tim Paradise, Mark Rietzsch, Brian Kniss, Tom Swift, Mark Chambers, Steve Hoelke, Mike Opitz, Steve Murrich, Mike Gentry, and Coach Carroll Cooley.

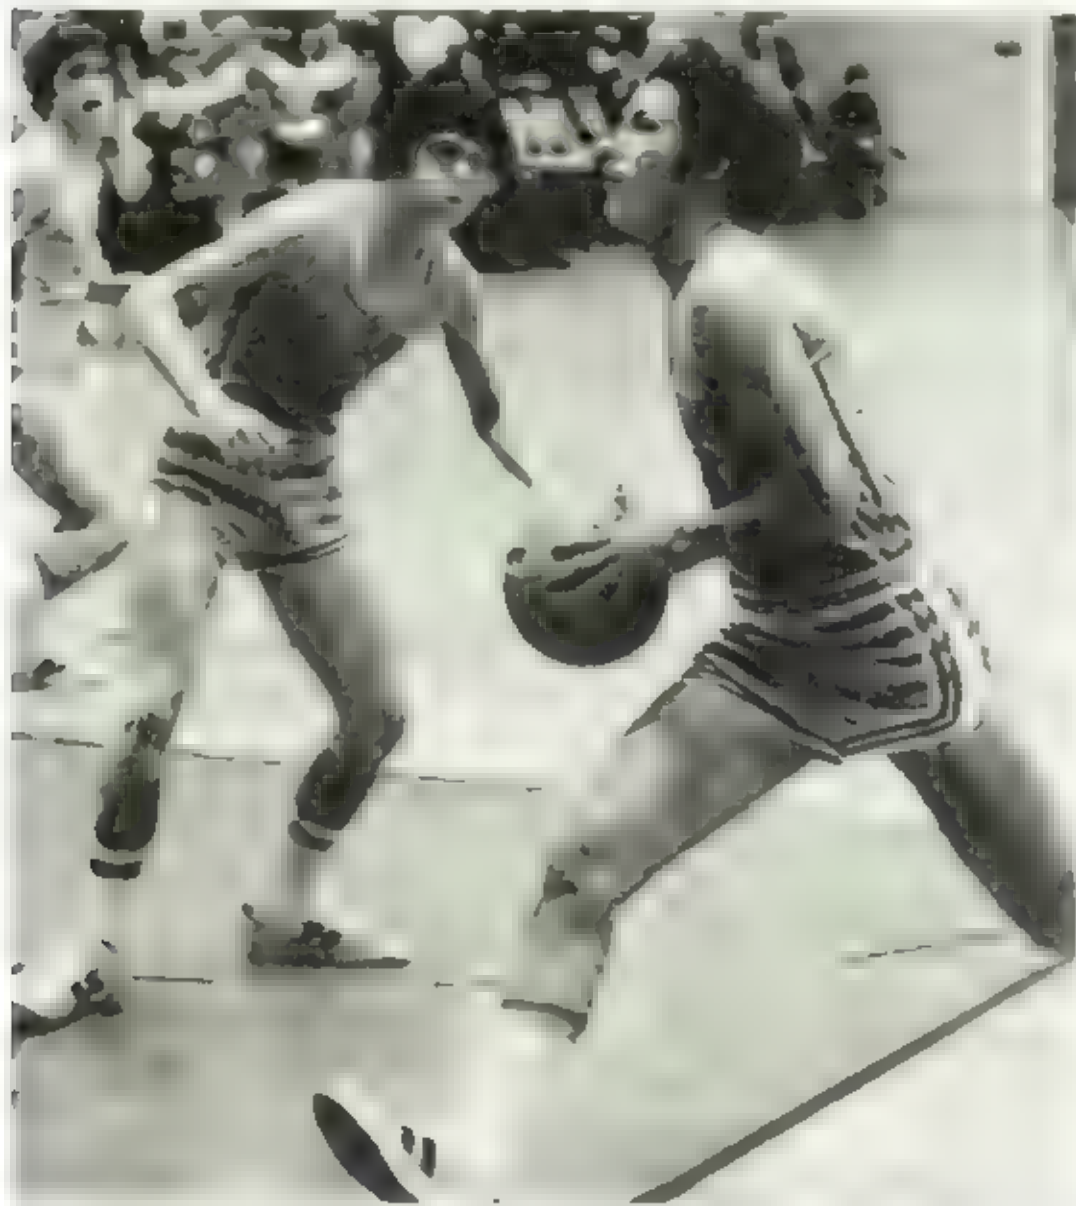

"This past season could be best exemplified by unity, hard work and a never-say-die attitude," Coach Carroll Cooley's words sum up the 1975 basketball season. Although the team found itself on the losing end of the stick for the greater number of the games, there was a team effort put into those contests. There were games where the team would lose by a large margin, and there were those where they would fall short in the last waning moments.

The team did win five of its eighteen games. In these games, Coach Cooley says, "a basic lack of natural ability was overcome by competitive desire."

Coach Cooley looks forward to next year. Eight underclassmen with varsity experience will return, and with experience should come increased competitiveness. Also, several members of this year's reserve team show good potential, and should help to improve the cage picture at St. Joe.

A Collage Of Creators

This Book's Brains

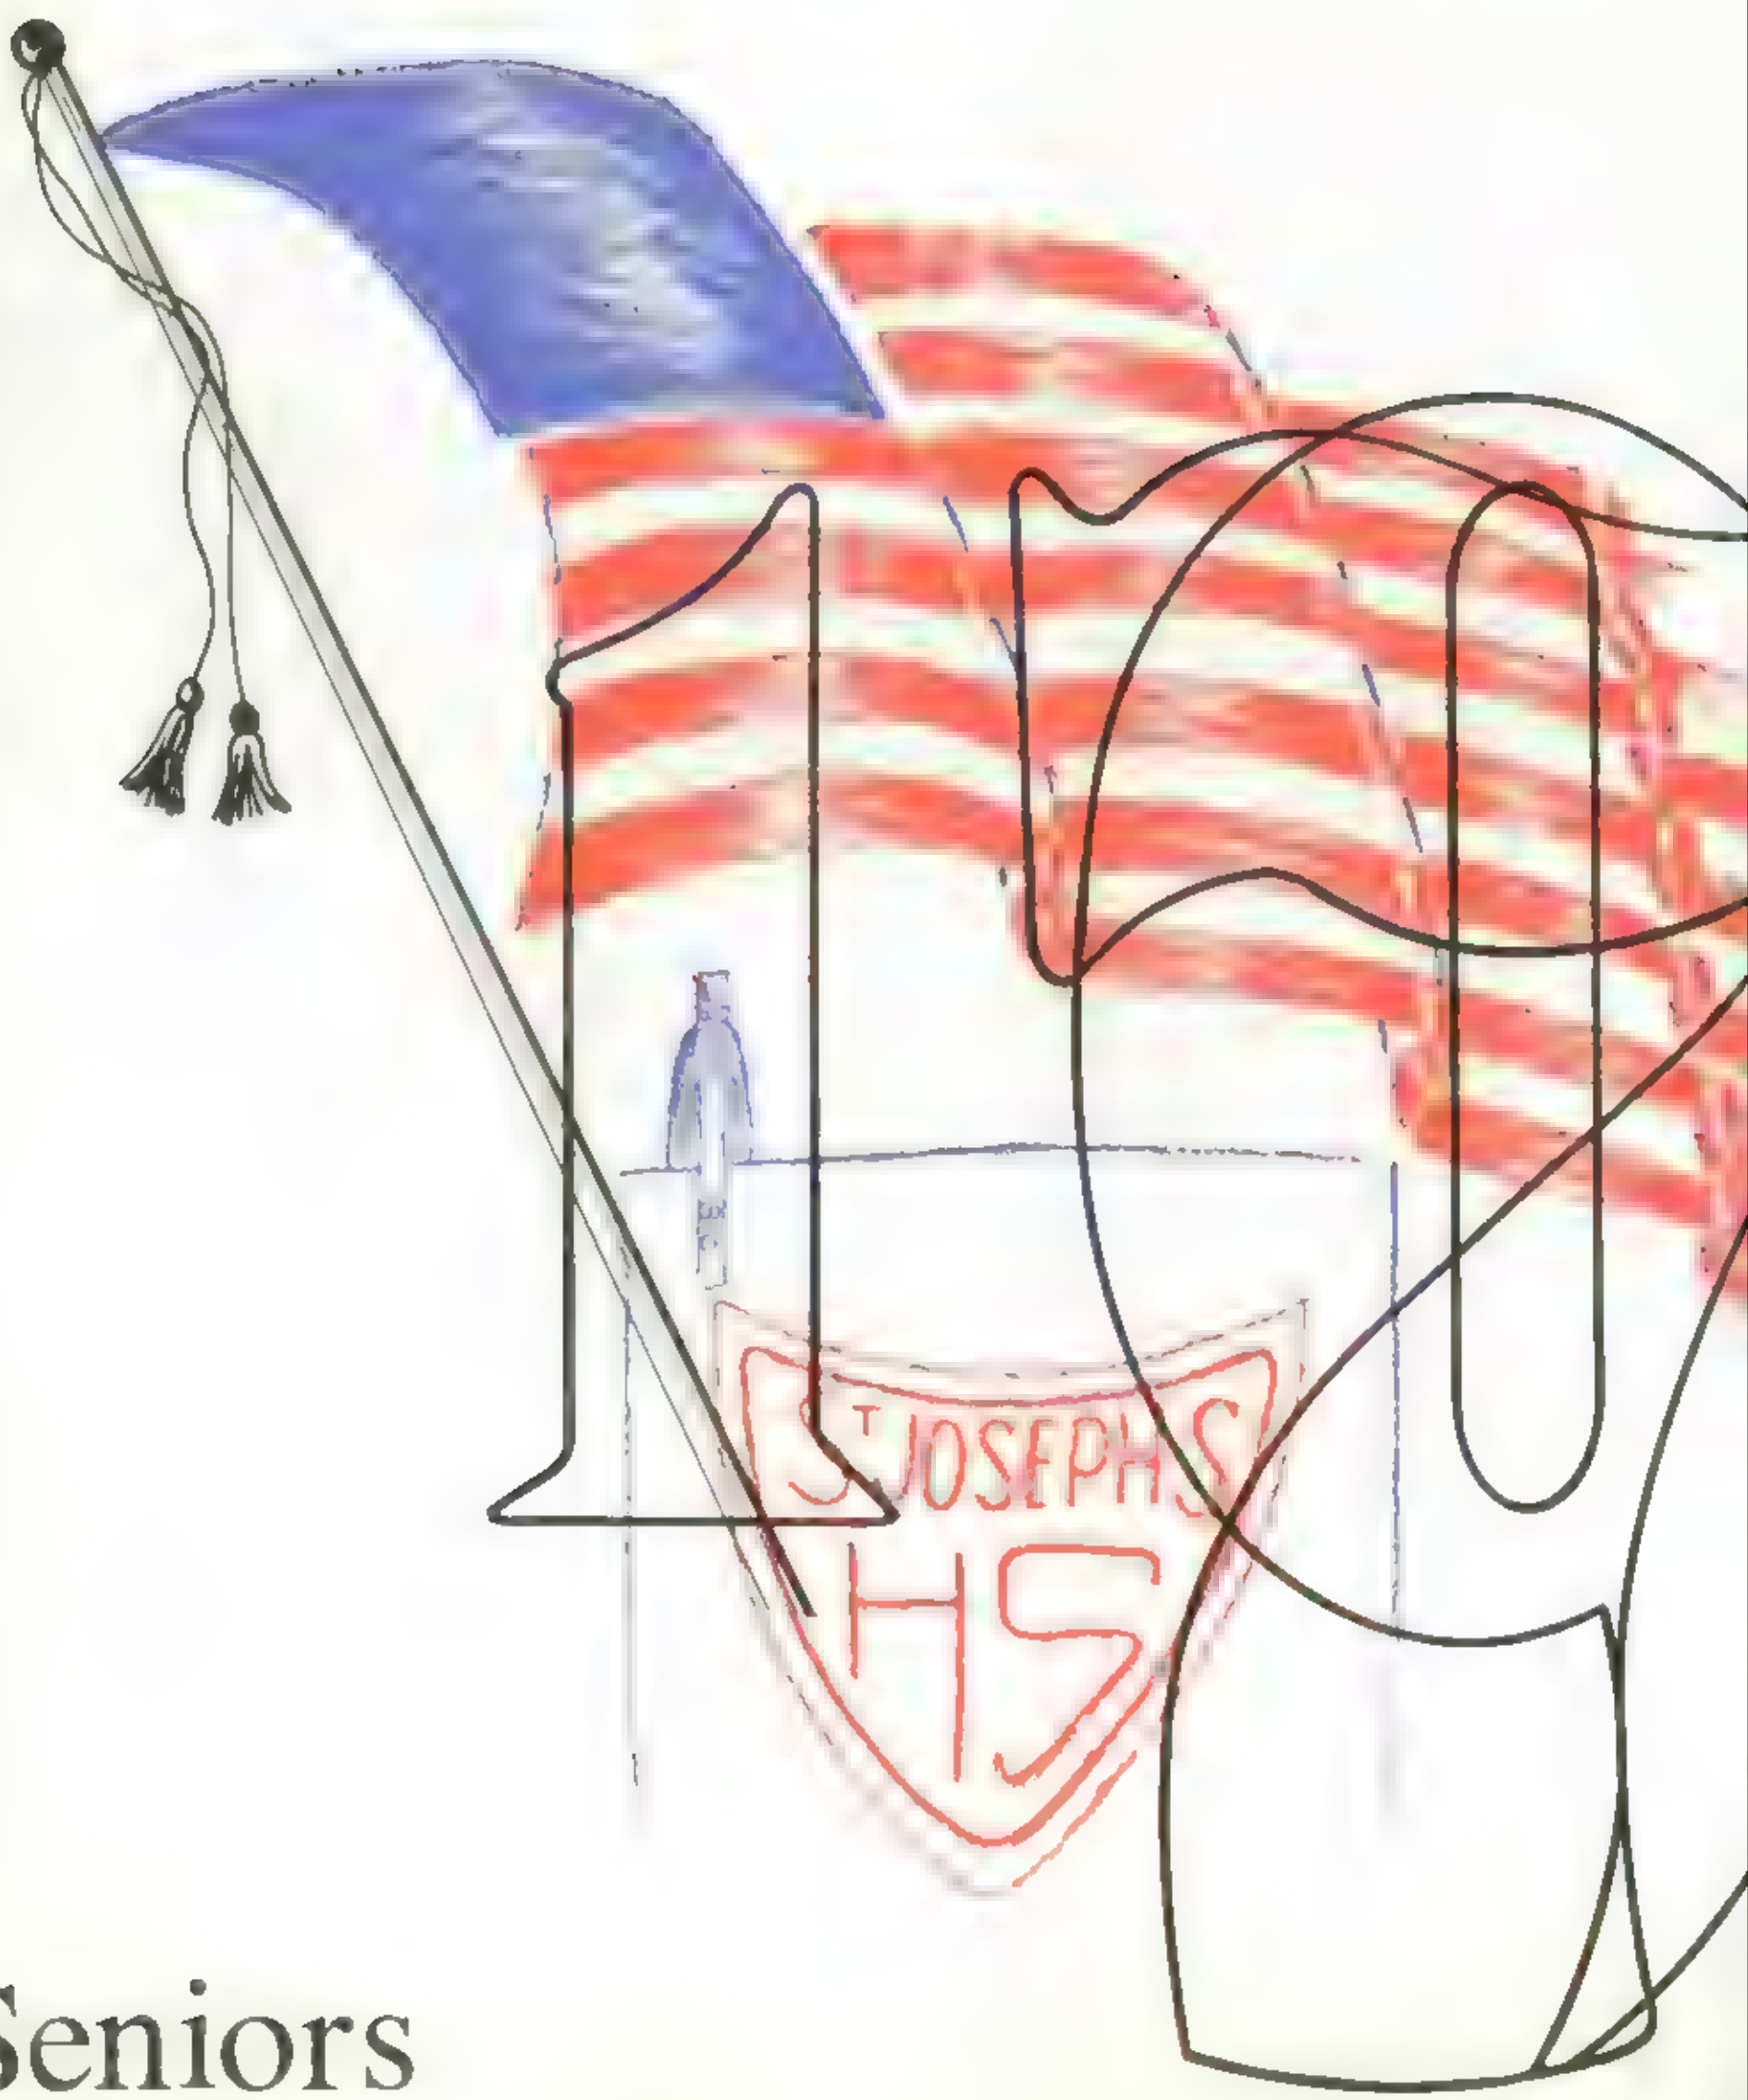

The 1975-1976 Josemont staff is headed by rookie year-book mentor, Mr. Jeff Molyet. His job is to sweat when the deadline is one day away. At the top of the ladder are the editors, Tammy Overmyer and Rick Burkett. They are the chief overseers of Josemont. Besides answering all questions, the editors check all final copy. The main financial wizard is Rob Boukissen. He takes all the money from the sponsors and organizes book sales. His subordinates are Steve Hoelzle and Willie Zamora. Halfway up the ladder are the section heads. These able members of the group are probably the hardest workers: they have the responsibility of making their deadline. The section heads are: Lisa Atzinger, Sue Darr, Tina Durnwald, Mary Fey, Ken Kusmer, Gil Laterza, Bill Lawley, Bob Pfefferle, and Carolyn Zambrano.

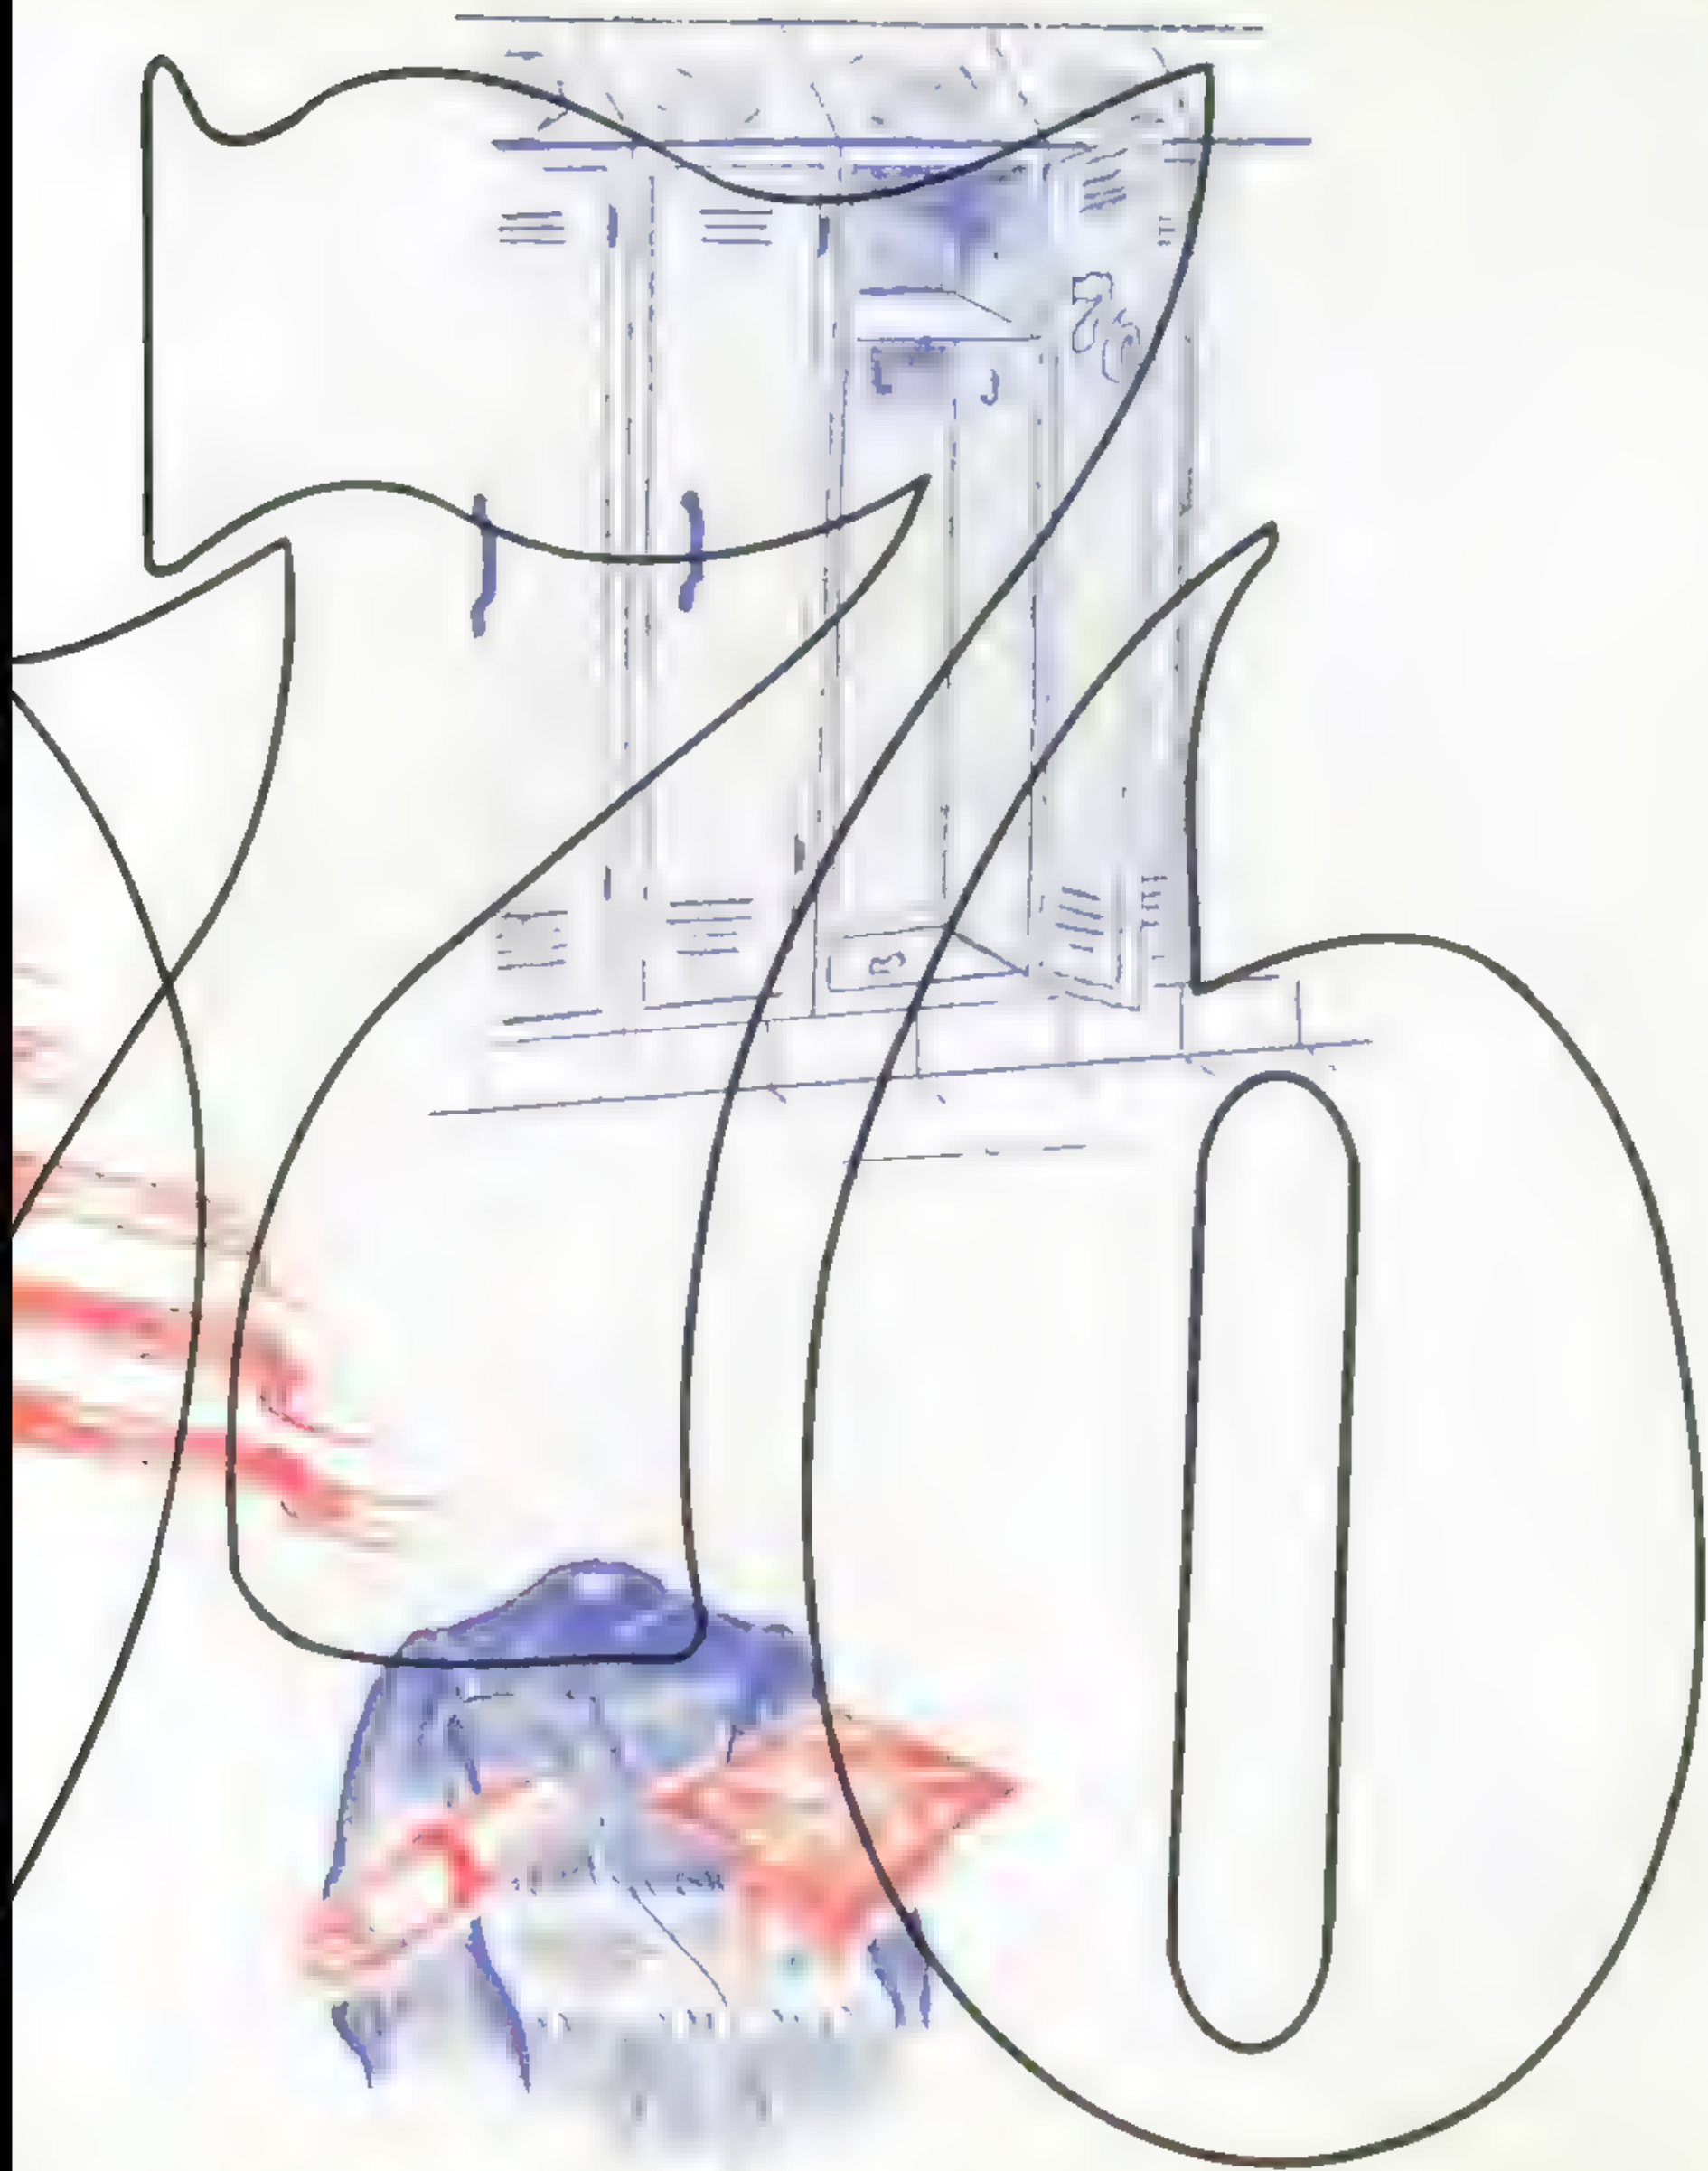

Also in the middle of the ladder are the photographers Paul Hotz and Rick Frederick. These members of Josemont are responsible for all the pictures in the book. Paul Hotz developed and printed all our pictures with his Mr. Wizard Chemical Developing Kit, which retails for \$9.88. At the bottom of the ladder are the general staffers. Their job is to do everything their section heads tell them. They have the least responsibility, but they are good at

getting sponsors. These include: Chert Aldrich, Tamr Babcock, Steve Durnwald, Lisa Golamb, Ken Haynes, Joe Hershey, Mike Heyman, Sue Hoftman, Tim Luc, Cheryl Magrum, Pam Mayle, Steve Missig, Beth Mumford, Mike Sidell, Terri Spino, Marv Steinbauer, Linda Steinbauer, and Mary Widman.

We are the future
Looking out on the past.
We are the present
Making old things last.
We are tomorrow
Thinking of yesterday.
We are today
Doing things our own way.

What Is A Junior?

What is a Junior? Juniors are people who can talk themselves out of almost any situation. A Junior, if he doesn't know the essay answer on a test still writes a half page answer. The Juniors are the ones with most of the hard classes, like Chemistry, Algebra II and American History. I think a Senior is what a Junior would rather be'

Lisa Cronin

I believe a Junior is a senior-elect, like a caterpillar in preparing to become a butterfly. This is the last phase of his metamorphosis. His road in life has already been paved and all he must do is start up the engine.

A Junior portrays what kind of Senior he will be. Therefore, it is his responsibility to get involved before he becomes a Senior.

Chris Kerosky

Here today and gone tomorrow a Junior has a lot to look for. He has only a year to go to get out of school and to be on his own.

Steve Fisher

A Junior is a person going through his 3rd year of high school. He knows the rules, and now he starts to break them. He's used to high school by now, he knows the teachers, and he's starting to plan for his future. He's not afraid of high school, like a Freshman; and he's more experienced than a Sophomore. He doesn't have to worry about what he's going to do when school's over, like a Senior. It's the last year of high school when he doesn't have a real worry.

Cathy Freeh

I like being a Junior. We don't have all the responsibility, but we are the second oldest in the school. Being a Junior is the best of all age groups. By now you know what is going on and know what the teachers are like. You know what you can get away with in that

What Is a Sophomore?

A Sophomore is a person who is very near and dear. A Sophomore is a person who is able to shed a tear

A Sophomore is someone just like me. Once you were a sophomore, is that so hard to see. Two more years and we will be done. But yet we have only just begun

Lisa Wahl

A Sophomore is a unique person. A sophomore has someone to look down on, freshmen. A sophomore doesn't do much except attend student council meetings. Now a sophomore can walk with his head high and proud. Not too high or he'll get it knocked off by a senior. Anyway it's a lot of fun

Jinx

A Sophomore is a person who is constantly on the go. Always having a good time wherever he may be. Learning things which will hopefully make his mind grow. Always looking for something free

Kathy Hammer

A Sophomore is a person in tenth grade that is lucky because his high school years are the happiest, and there is so much to do

Carol W

He is an experienced Guy or Gal who lived through Freshman year very well. And kind of realizes what this world is about. He sees his classmates grow up and sees those who never make it. Oh! What a life, I'll never forget St. Joe High

Bill Claar

A Sophomore is someone in the second year of high school. He or she is more familiar with the school than the year before. Work is harder for this person. A Sophomore is high spirited and ready for action. The world begins to open up to the Sophomore and he or she recognizes it

What Is a Freshman?

A Freshman is a punching bag for Seniors. A freshman is considered by seniors as a joke. To them this is a very funny joke. Ha, Ha. We are always being pushed around and being ridiculed. Freshman year sure is fun.

Nick Picciuto

A Freshman is a first year kid who is lucky if he can go into the restroom and make it out alive.

Tad Esker

A Freshman, in the eyes of Seniors, Juniors, and Sophomores, is one of the lowest, most pestered of all St. Joes' classmen. Falling subject to all types of ridicule, hazing, and mayhem. Freshmen are looked down upon, but take every challenge with a high head and a vigorous step. A freshman on the football field, floats like a butterfly and stings like a bee.

Craig Burns

Being a Freshman is like a bottle of coke — "It's the real thing!" It's beginning at the bottom, working your way up to accomplish a goal.

Elaine Foos

Being a Freshman is an experience. Now and then you run into someone who loves to put freshmen down. You smile, turn and walk away hoping that the person doesn't jump you from behind. But being a freshman is fun, we only have three more years.

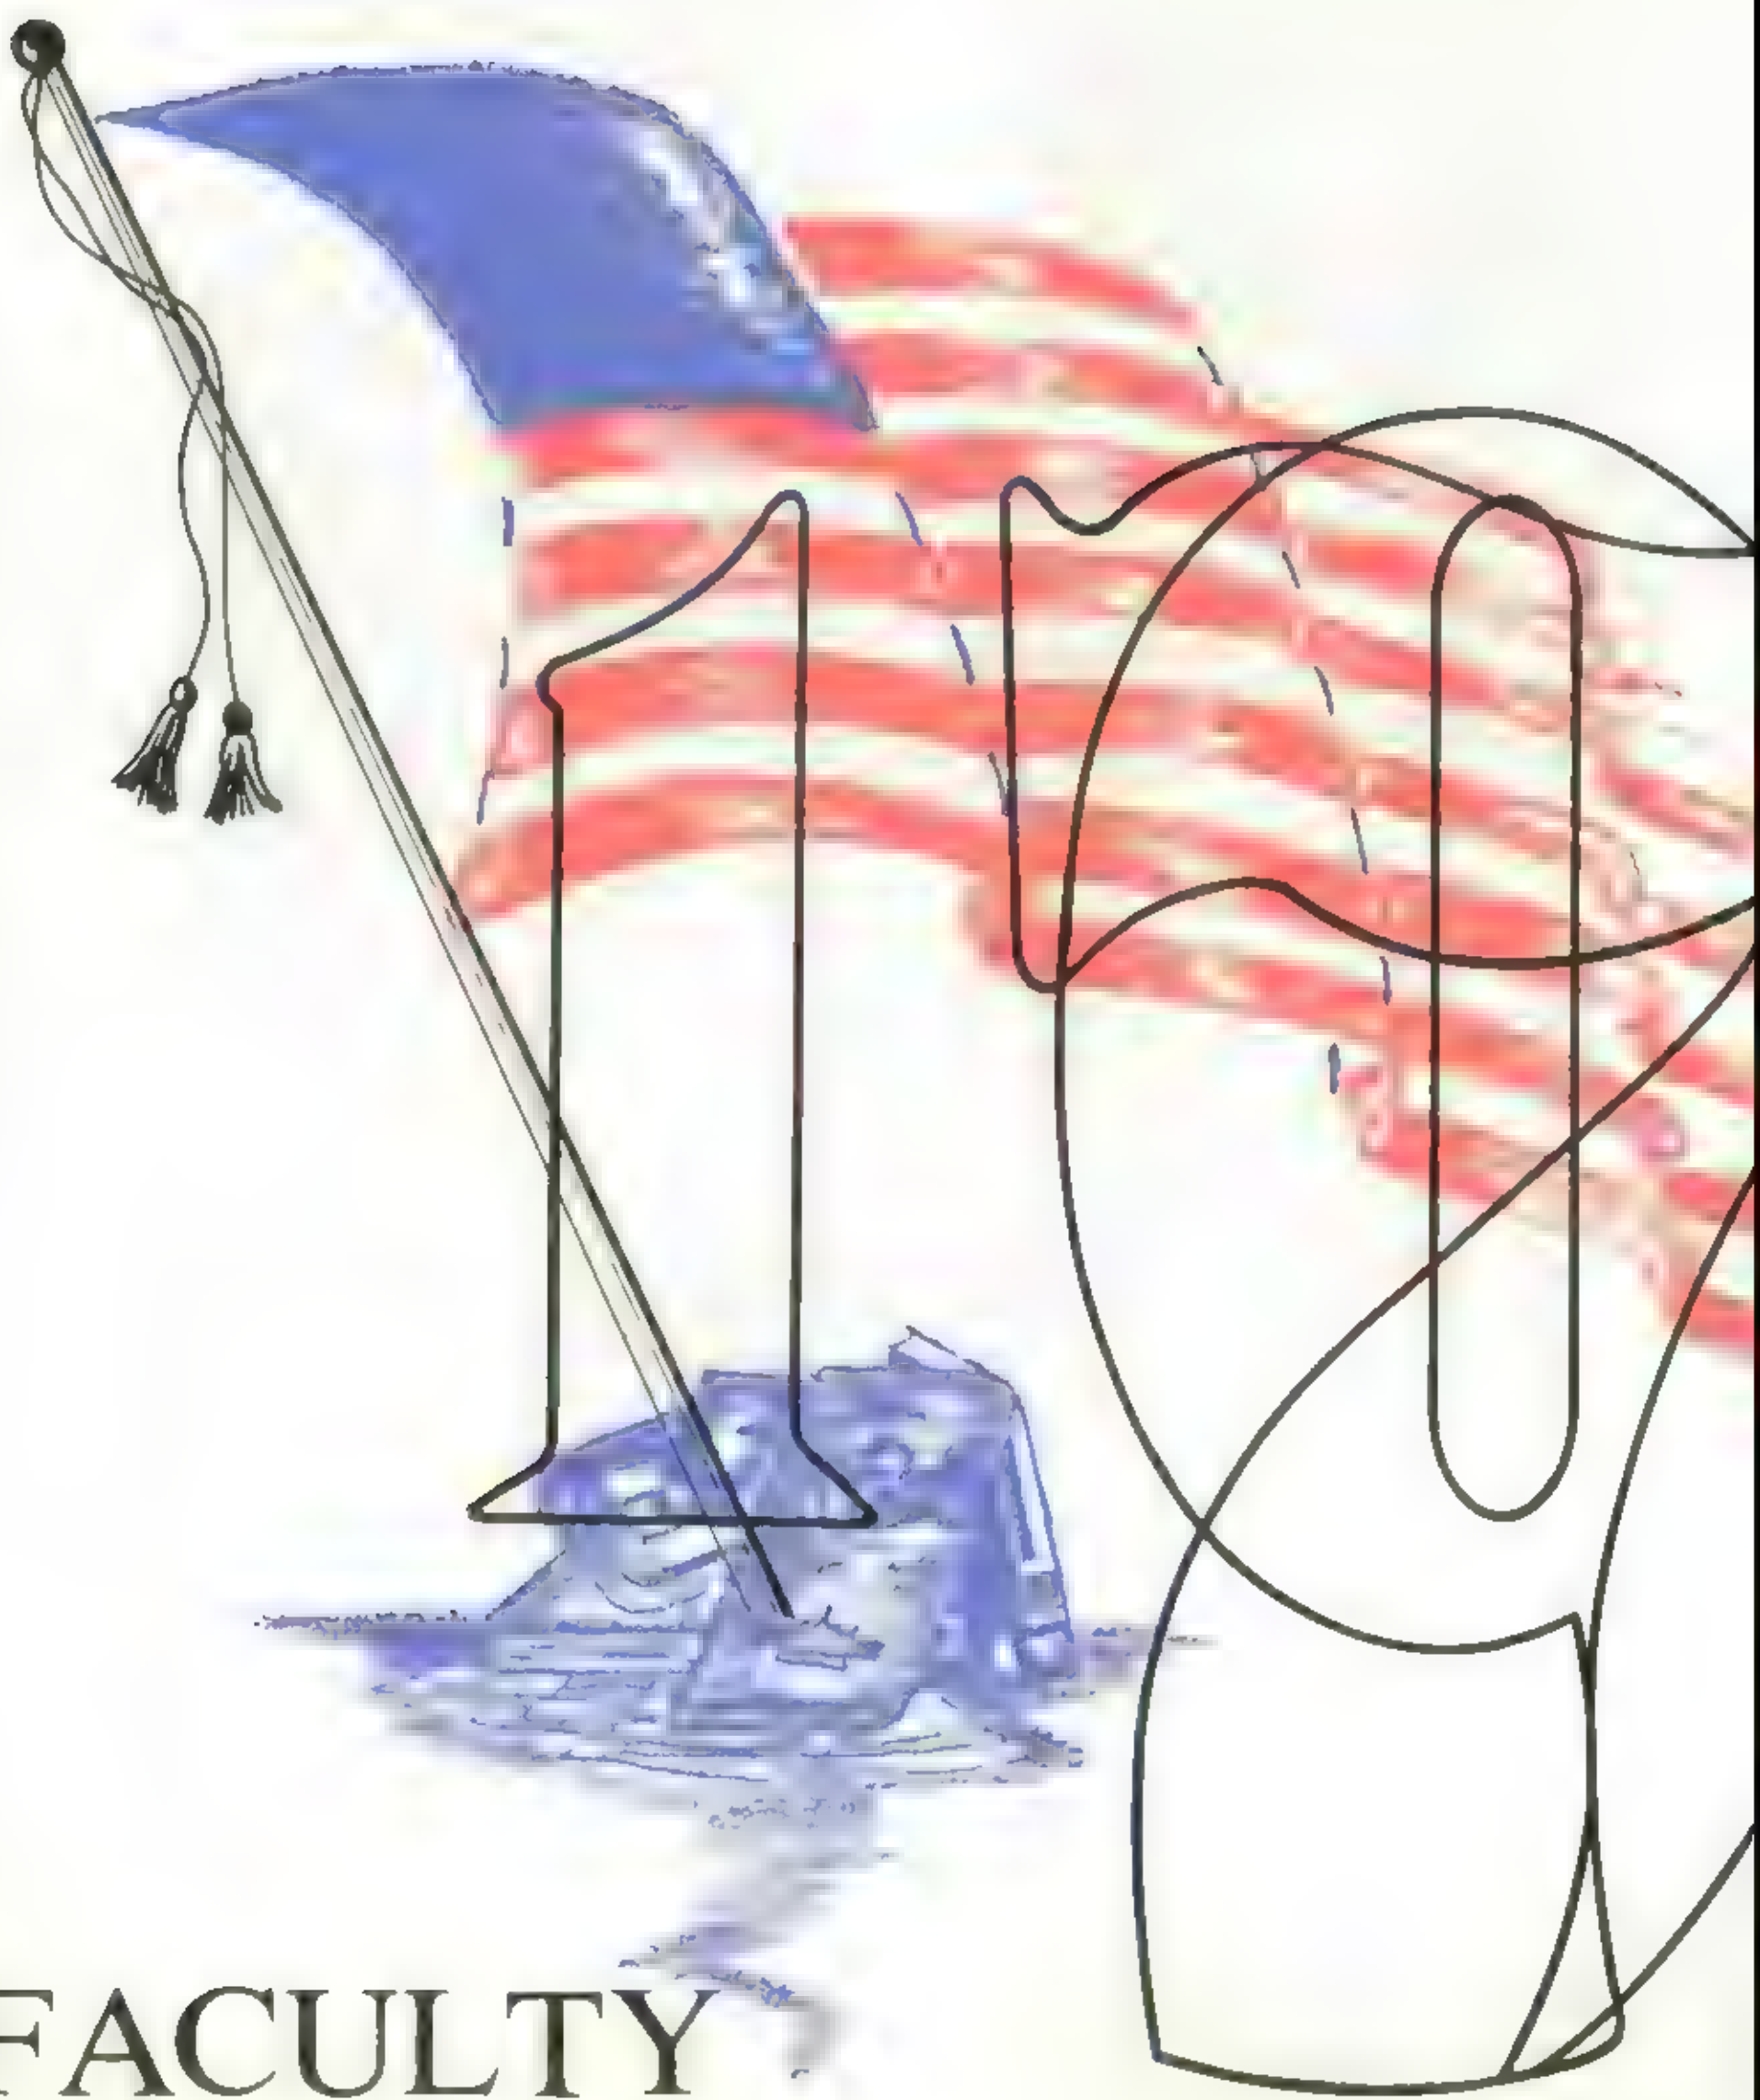

Brian Homegardner

A Freshman is the lowest person in the school who is always the last in line. A freshman takes after all the other people in the school, and whenever a Senior, Junior, or Sophomore comes by, it's always a joke that makes you mad.

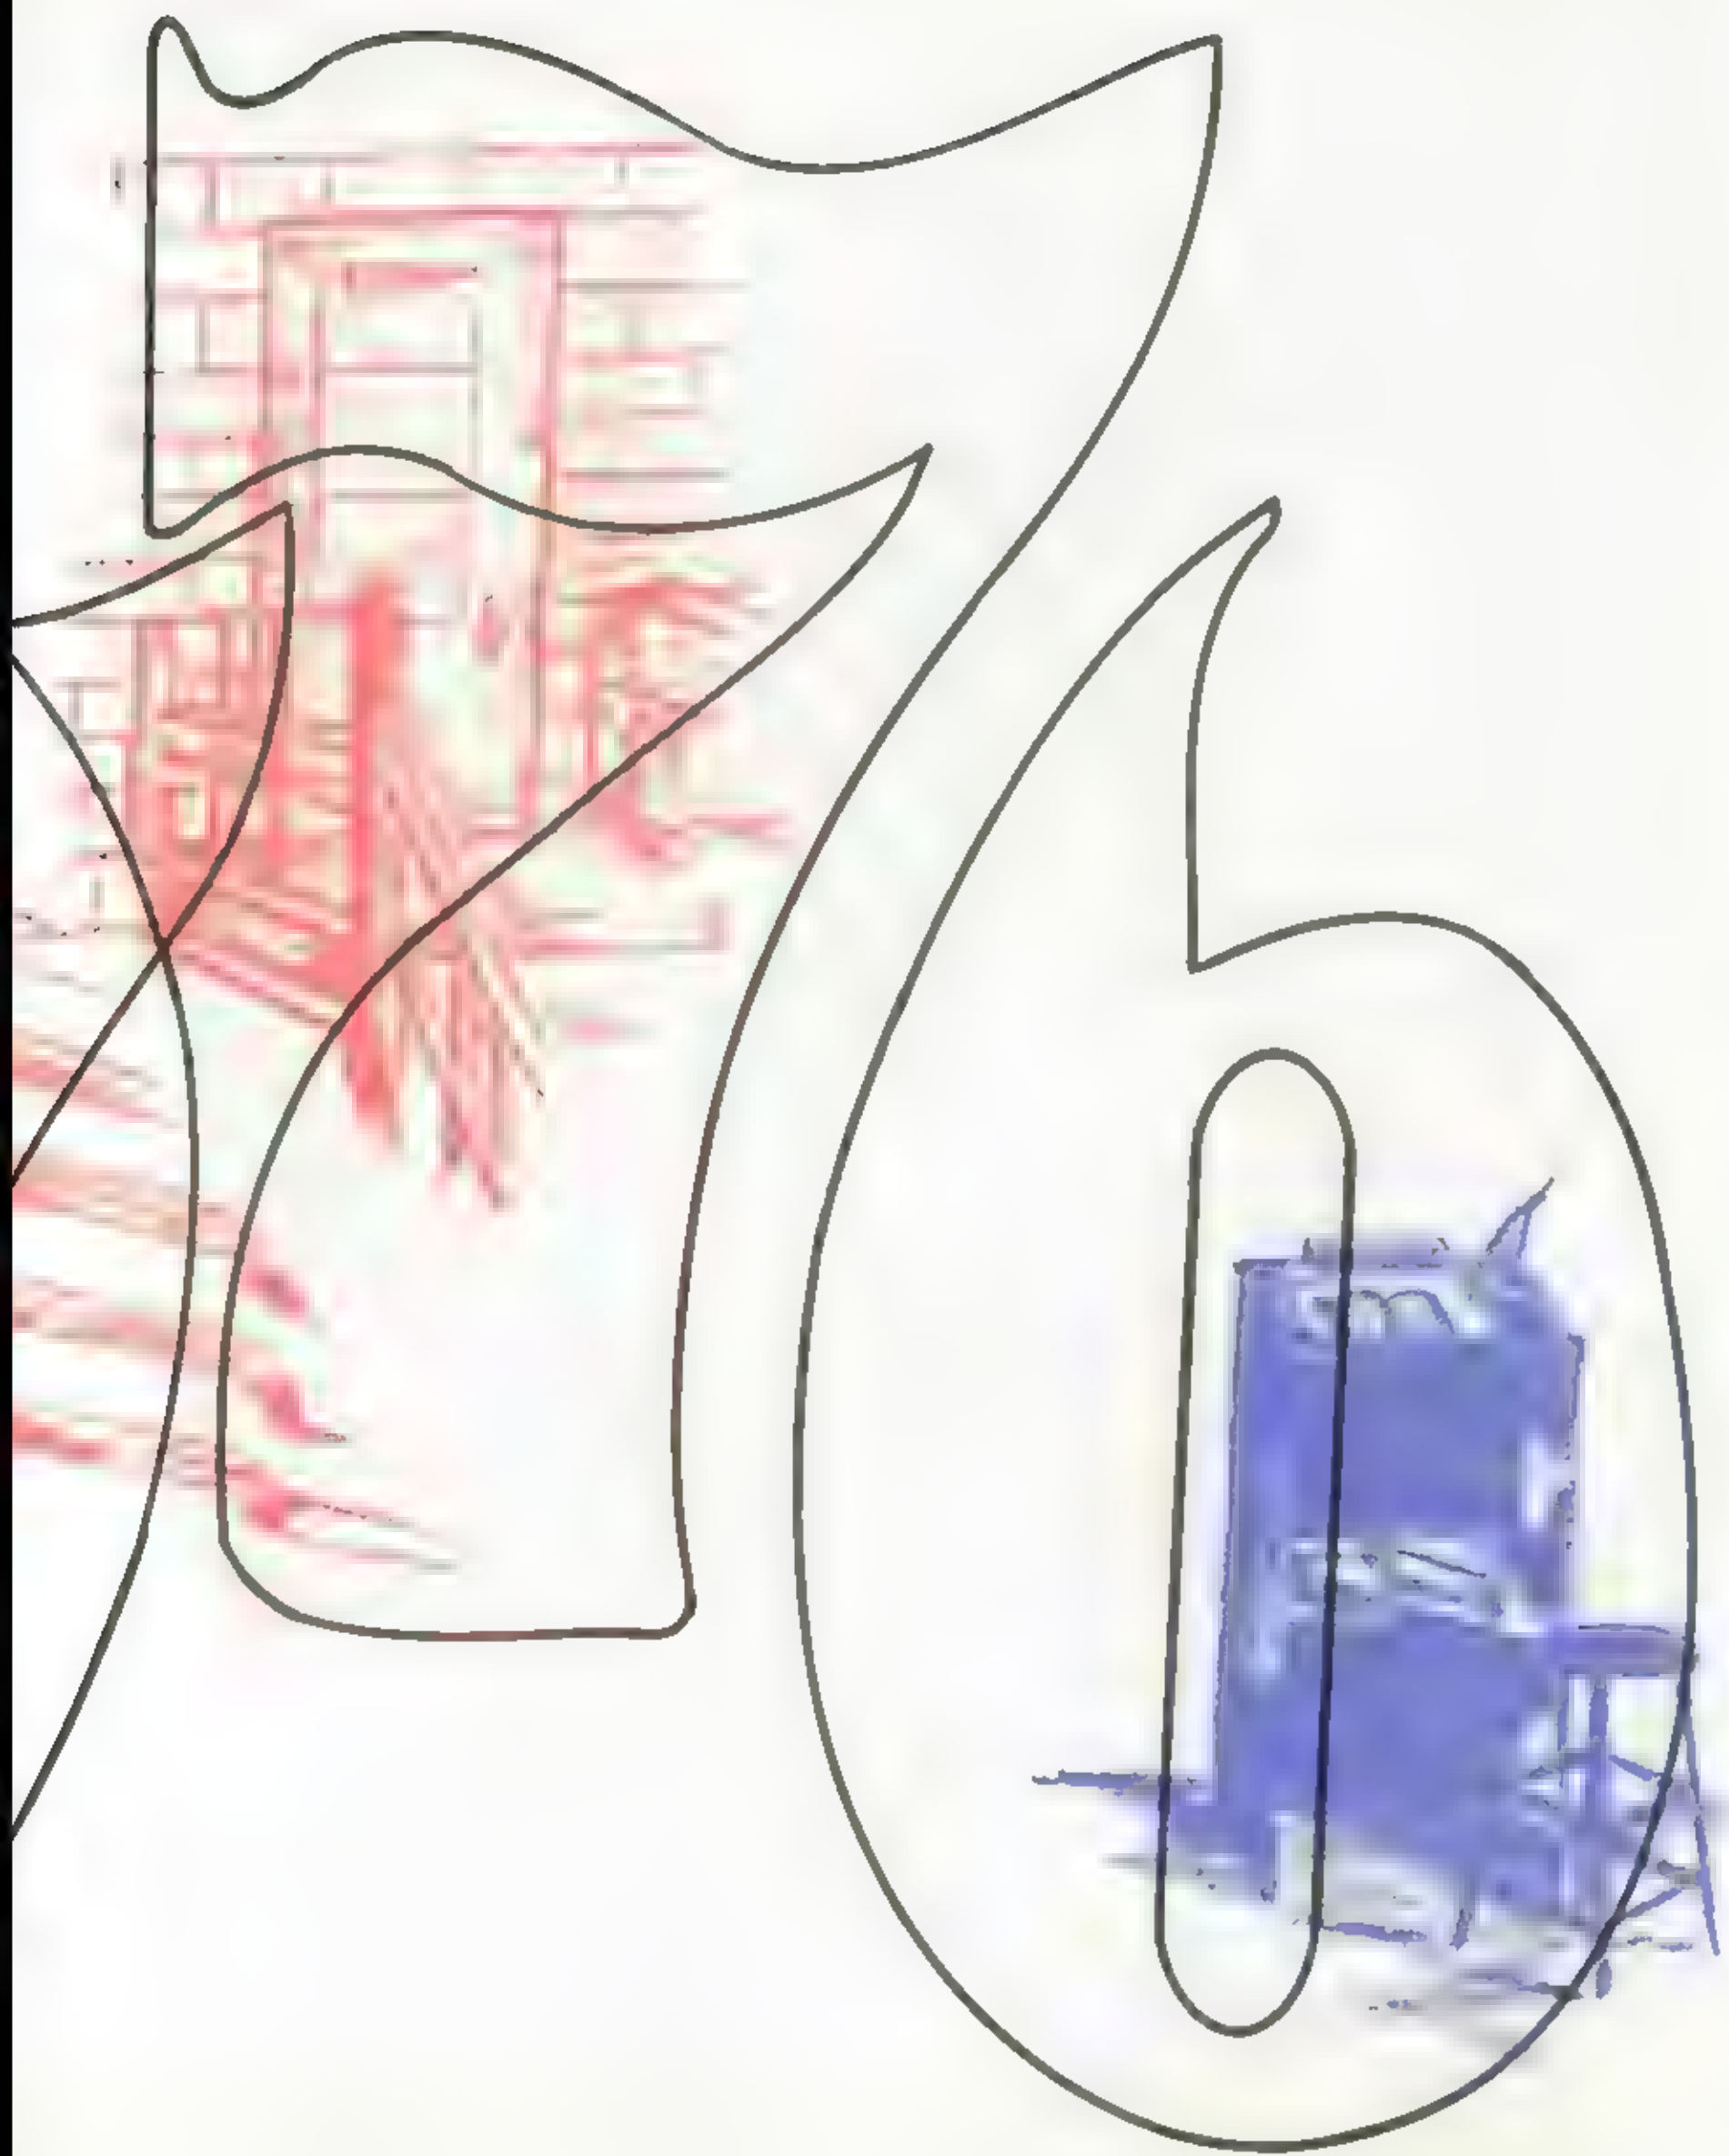

Pete Chudzinski

A Freshman is a person who was born, is living and will die, like any other person. But a freshman is different in that he comes to the school to make his mark, whether it be outstanding or oblivious.

There is a time in every man's education when he arrives at the conviction that envy is ignorance; that imitation is suicide; that he must take himself for better, for worse, as his portion; that though the wide universe is full of good, no kernel of nourishing corn comes to him but through his toil bestowed on that plot of ground which is given him to till. The power which resides in him is new in nature, and none but he knows what that is which he can do, nor does he know until he has tried.---Emerson

The great end of education is, to discipline rather than to furnish the mind, to train it to the use of its own powers, rather than fill it with the accumulations of others.
 Diogenes Laertius

The chief business of the government of governing mankind, is the education of youth.---Aristotle

Do not ask if a man has been through college; ask if a college has been through him -- if he is a walking university
 E.H. Chapin.

The real object of education is to give children resources that will endure as long as life endures, habits that time will ameliorate, not destroy, occupations that will render sickness tolerable, solitude pleasant, age venerable, life more dignified and useful, and death less terrible.---Sidney Smith

Education is the knowledge of how to use the whole of oneself. Many men use one or two faculties out of the score with which they are endowed. A man is educated when he knows how to use a tool of every faculty -- how to open it, how to keep it sharp, and how to apply it to all practical purposes.
 H.W. Beecher.

They Could See The Beginning,

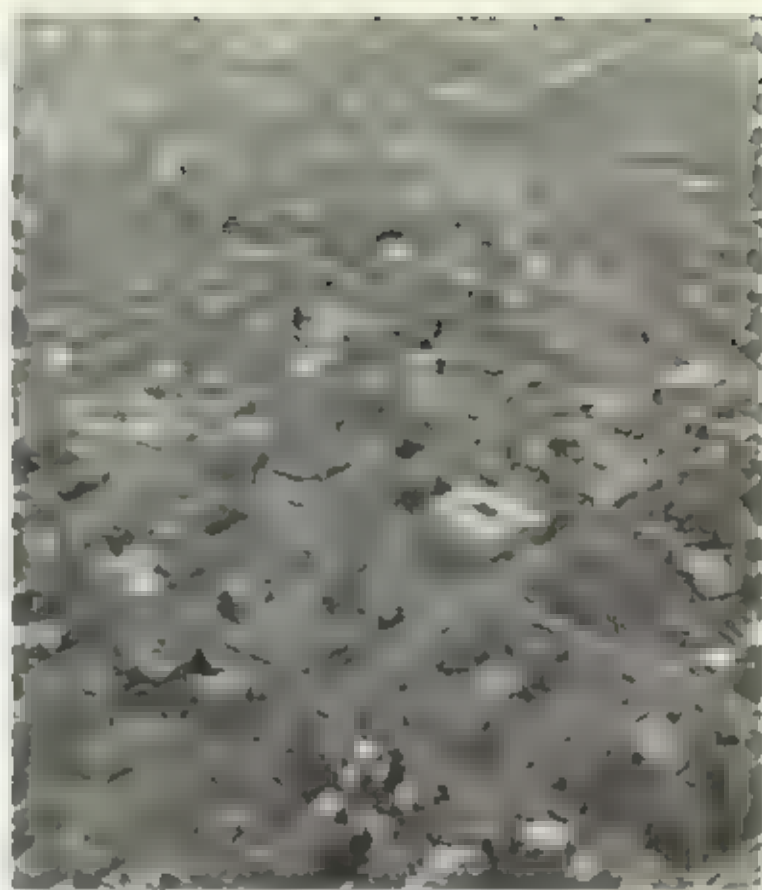

The Dawning Of A New Era . . .

The Dream Had Not Died,

It Was Living, Growing . . .

The Dream Is Now A Reality,

And The Dream Shall Survive.

*It Is Up To The Future
To Make The Dream Live,
The Dream Of
Freedom! Liberty! Justice For All!*
